

Shelter Plus Care Training

What every provider should know!

Provided by: The Partnership Center, Ltd. .

As a Shelter Plus Care (SPC) grantee or sponsor you are strongly encourage to participate in a HUD Sponsored Technical Assistance Program designed to support your work in Permanent Supportive Housing through Shelter Plus Care. The training will provide a basic overview of SPC, documentation requirements, program requirements and respond to frequently asked questions. It will also provide an opportunity to network with other SPC providers from across the state – to learn about what’s working for them.

Date: Monday, April 19, 2010

Time: 1:15 am – 4:30pm

Place: Hyatt on Capital Square, Columbus

Register for training at:

<http://www.partnershipcenter.net/registrations.aspx>

This training is provided to you free by a grant from the U.S. Department of Housing and Urban Development. The training has been scheduled for the convenience of providers during the COHHIO Conference. We encourage you to attend the entire conference (fee required) by registering at:
